# Guarantee

## Register your trailer and benefit from the unique five-year guarantee

With your K-Force, you get a unique guarantee on the structure. This is only available with Kraker Trailers. A lot can happen in five years. So, make sure to extend your guarantee to five years by quickly and easily registering your trailer. This guarantee provides you with security and confidence. In addition to this long-term guarantee benefit, you also get 24/7 access to the Online Service Centre, where you apply for your guarantee.

# FIVE-YEAR GUARANTEE

Register your trailer and experience the convenience!

Find out here how to apply for a guarantee.

## The benefits of registering your K-Force

- You get a five-year guarantee instead of one on your standard K-Force with screwed-on auxiliary frame. On other types you get a two-year guarantee after registration instead of one.
- You can quickly find your trailer's information such as manuals, schematics, and the identification card.
- You have 24/7 access to online help and an overview of the guarantees through our online Service Centre
- You have a complete overview of the parts available for your trailer and you can directly place an order for these parts.
